CENTENNIAL SPONSORSHIP

Muktahishekam - 'Mukta' means 'Pearl'. 'Mukta' also means 'One who is liberated'. 'Chandrama Manosa Jaata' says Rig Veda. Moon represents the Intellect and moon is represented by 'Pearl'. Those who perform abhishekam with 'Mukta' to 'Jeevan Mukta Baba' will get good intellect and becomes Mukta' [Liberated].

'Vrukshabhyo Harikeshebhyo Nama' says Rudram in Yajurveda. Describing Rama's greatness in Ramayana, Valmiki compares Him to a 'Great Tree'. Lord Dattatreya resides in 'Audumbar' tree. Baba Himself sat under the 'Neem Tree'. Apart from bringing environmental purity, planting a tree yields many merits here and hereafter.

Havan/Homa/Yagna are the ritualistic methods of performing sacrificial offerings. As Lord Krishna mentioned in Srimad Bhagavad Gita, Yagna can be of many types i.e. Tapo Yagna, Japa Yagna, Jnana Yagna etc. In Sri Sai Satcharita, Pitru Yagna, Deva Yagna, and Brahma Yagna are described.

Pushpabhishekam - Baba appeared in the dream to Dasaganu on 16th October, 1918 the day after His Mahasamadhi, and asked him to go to the Shiridi and cover His body with flowers

ONE WHO DOES YAGNA IS CALLED 'YAJVA'
