#### **Quotes from SatCharitra**

*"God does not like big subscriptions and donations collected against the wishes of the donors, but He likes ever trifling amounts given with love, devotion and appreciation."*

*"If I take one rupee as Dakshina from anybody I have to return it tenfold to him. I never take anything gratis. I never ask any one indiscriminately. I only ask and take from him whom the Fakir (My Guru) points out. If anyone is indebted formerly to the Fakir money is received from him. The donor gives, i.e. sows his seeds, only to reap a rich harvest in future. Wealth should be the means to work out Dharma. If it is used for personal enjoyment, it is wasted. Unless you have given it before, you do not get it now. So the best way to receive is to give. The giving of Dakshina advances Vairagya (Non-attachment) and thereby Bhakti and Jnana. Give one and receive tenfold".*
